## MURALS

Setmakers' Wall Murals are finely-detailed paintings on canvas, designed and produced to meet the specific needs of your restaurant. Highly durable, each mural is sealed with a clear, protective finish permitting mild washing for easy maintenance. Though sizes vary, Setmakers' Murals are designed to fit specific wall space in your restaurant. Murals are delivered ready-for-mounting on any drywall surface.

Setmakers' Murals are available in three categories:

### THE CHARACTERS IN McDONALDLAND

Each Wall Mural depicts one or more of the Characters in a McDonaldland scene.

### THE CHARACTERS IN SPECIAL SETTINGS

Each Wall Mural depicts one or more of the McDonaldland Characters in a special theme of your choice. Many restaurant owners request a specific mural design to attract the surrounding communities. Some of the special settings that have been requested are:

- Ronald and his friends surf-boarding at the beach
- Ronald in a buckboard wagon on the Colorado plains
- McDonaldland Characters dancing on a Bavarian hillside

- Ronald at the helm, sailing across the ocean
- McDonaldland Characters at the circus

- Ronald logrolling in a mountain stream

## CUSTOM THEMES

These Wall Murals are totally different in concept. Each is designed to a particular subject matter of your choice, such as:

- Landscapes
- Aviation Themes
- Transportation Themes
- Regional Settings
- Sports Scenes
- Seasonal Settings
- Graphics

(These designs may be produced in various painting styles)
